4 March 2014

Dear Parents,

Spring is only 18 days away! I'm ready, aren't you?

Two important items are in this letter. First—it's time for kindergarten registration. If you or someone you know has a child who will be five years old on or before August 1, please call the school office. Items needed for registration, which will be held on Friday, May 2, will be mailed to you. Thanks, it really helps us to plan for the future with accurate numbers!

Second, as you probably know, we need to make up two calamity days because we have used eight days and can only use five. One day was made up on Presidents' Day. Now, two days must be made up. According to our school calendar, we will make up the time by adding minutes to our day.

Beginning on Monday, March 10, we will begin school 15 minutes earlier than usual, and end 15 minutes later than usual. We will need to do this for 24 school days.

This has been a very unusual winter with lots of delays and interruptions, and we know it is hard to plan and provide for child care. Thanks to everyone for helping. We do seem to have an unprecedented number of children with perfect attendance this year.

Just a few dates to remember: PTS Conferences will be held on March 20 and 21. Spring Break is March 24 – 28. We are not in session on April 18 (Good Friday) or May 26 (Memorial Day.) OAA tests for children in grades 3,4,5 will be administered during the weeks of April 28 and May 5.

We wish you a springtime filled with maple syrup, green grass, morels, and warmer temperatures--

Sincerely,

Mrs. Funston
