September 2, 2014

To FLS parents:

Have you ever been blindsided by an interim report or a grade card with poor grades? Are you tired of getting a grunt from your child when you ask, "How are your classes going?" If so, there is an incredible service provided that allows you to avoid these instances and go right to the source – the teacher's grade book. That's right! You can use PowerSchool to access your child's grades and attendance in every class every hour of every day!

To access this information you will need to follow these steps:

1. Open the Internet browser on your computer.
2. Type in <http://www.fredericktownschools.com/> and click on the Power School parent/student login or type in <https://ps7-fr.treca.org/public> into the address bar.
3. Click the blue button that says 'Create Account.'
4. Create your account by completing the requested information. Then, 'Link your students to your Account' by using the parent Access ID and Access Password provided in the letter sent home today with your child.
5. View the information.
6. Remember to log off when you are finished.

You or your child can track academic progress from any location that has Internet access. If you do not have Internet access, the public library has computers open to access your child's records. Always keep your password confidential so only you can access the information.

Below are the links you will find helpful:

- *Grades and Attendance* - check assignments and scores by clicking on the blue percentage across from a class.
- Blue teacher's name link - email questions or comments to the teacher.

FREDERICKTOWN LOCAL SCHOOLS

117 Columbus Road, Fredericktown, OH 43019

Phone: 740.694.2956 Facs: 740.694.0956

www.fredericktownschools.com

- *Grades History* - your child received in previous grading periods.
- *Teacher Comments* - used to access current teacher comments for your student.
- *School Bulletin* - current announcements for our school

If you have any questions regarding the use of PowerSchool, please email Joni Rhoads at: jrhoads@fredschools.com.

Finally, I strongly encourage you to utilize this tool daily. The more knowledge you have about what's going on in classroom the better your conversations will be with your child and your child's teachers and the less likely your child will fall behind.

Sincerely,

Matthew W. Chrispin
Superintendent
