Fredericktown Local Schools Cafeteria Charge Policy

The food service department is pleased to offer breakfast and lunch to all students. Applications for free or reduced priced meals are available at each school office and on the school web site www.fredericktownschools.com. Applications may be filled out ANY time during the school year!

We understand that occasionally a child may forget his/her lunch money therefore we allow students to charge a meal under the following guidelines:

- *Students in grades K-5 may accumulate no more than 3 charged meals.*
- *Students in grades 6-12 may have one charged meal on his/her account.*
- *Charges are not allowed on a la carte items with the exception of milk for packed lunches.*

Please do not hesitate to call us if there are extenuating circumstances where you need to temporarily exceed the standard charge limits. We are more than happy to work out an arrangement.

Please know that you may apply or reapply for free/reduced meals ANY time during the school year. Even if you do not currently qualify but your family income decreases or your family size increases you may fill out a new application at ANY time.

Check your child's cafeteria balance and add money to their account on line using a bank account or credit/debit card with web-based program K12PaymentCenter.com.

We encourage you to register for an account even if you choose not to make line payments as you will be able to monitor your child's cafeteria balance.
