### **Parent Information for Title I – Notice of Right to Know Teacher Qualifications**

Fredericktown Elementary School receives federal funding through Title I. These funds are used to provide supplemental instruction to students who need assistance in the area of reading, and on occasion in the area of mathematics. Our goal is to provide early intervention to struggling readers, so our Title I services are targeted to students in need in Kindergarten, First Grade, Second Grade, and Third Grade.

Parents have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. We are pleased to report that all teachers in the Fredericktown Local Schools in Title I funded buildings have met the Ohio teacher licensing criteria for their respective grade level and subject area. The federal Every Student Succeeds Act (ESSA) requires that any local school district receiving Title I funds must notify parents that they may ask about the professional qualifications of their child's classroom teacher.

These qualifications include:

- 1 Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject area in which the teacher provides your child instruction.
- 2 Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
- 3 The undergraduate degree major of the teacher and any other graduate degree or certification (such as National Board Certification) held by the teacher and the field of discipline of certification or degree.
- 4 Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Parents may ask for this information by sending a letter of request to the Office of the Superintendent, Fredericktown Local Schools, 117 Columbus Road, Fredericktown, Ohio 43019. Be sure to include the following information with your request: child's full name, parent/guardian's full name, address, and teacher's name.
