## Attendance is Important

Regular attendance by all students is very important. When students miss class, they really miss out. We urge families to schedule appointments and other errands outside of school hours whenever possible.

**When a student is absent or tardy to school, families need to notify the school to report the absence or tardy either by phone or email.**

Please call (740) 694-2781 to report an absence. The attendance line is available 24-hours. Please include your child's name, date of absence, teacher's name and reason for absence. Also, you may contact our office by email at [ngaddis@fredschools.com](mailto:ngaddis@fredschools.com)

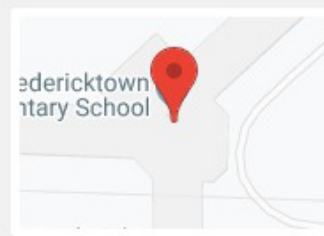

When your student returns, they are required to bring a note to school signed by the parent/guardian explaining the reason for the absence. We cannot accept an email as their written note.

**A written parent note can excuse up to eleven (11) absences per school year. All absences beyond those 11 parent excused absences require a signed note from a doctor, dentist or court official to be an excused absence.**
