Once a Freddie, Always a Freddie
Superintendent’s Message
October 23, 2020

Updated Health Information: As numbers increase in Ohio and Knox County, please revisit our Return to School Plan on the district website. In the event Knox County turns RED or we have an outbreak in our district with students and/or staff, I will be using our Return to School Plan, along with consultation with the Knox Public Health Department, to determine if we go Hybrid or stay in session five days a week. Please remember, we will not automatically go Hybrid if we turn RED, it will be dependent on several factors.

COVID-19 Data Dashboard: You can find positive COVID-19 cases by building on our district dashboard located on our district website.

Student Illness Protocols: Please email the following three staff members if your child will not be in school due to COVID. This includes a positive diagnosis, quarantine, or awaiting the results of a COVID-19 test.

- esheriff@fredschools.com - School Nurse
- mcaputo@fredschools.com - Elementary Principal
- bgaree@fredschools.com - MS/HS Principal

Notifications of Student and Staff COVID-19 Diagnosis: If a student or staff member tests positive for COVID-19, an email will go out to all parents notifying them that a student or staff member has tested positive. We will contact-trace the individual who tested positive and notify parents by phone if their student has been in close contact with the positive individual and needs to be quarantined. Quarantined students do not need to be tested unless they develop symptoms of COVID-19. If a quarantined student develops symptoms and is tested, please notify Mrs. Sheriff, Mr. Garee, and Mr. Caputo.
Hybrid Model: Scarlet/Gray Groups: All students were notified of which group they are in at the beginning of the school year. If it looks like we will be moving to a hybrid learning model, the elementary school, middle school, and high school will hand out the information to students again. If you have forgotten which group your child is in and would like to know at this time, please email truhl@fredschools.com for 6-12 students or ngaddis@fredschools.com for K-5 students.

Hygiene: Please make sure your child(ren) continues to follow district protocols of face coverings, social distancing, and hand sanitizing. We can help reduce the spread of COVID-19 in our community by doing the following:

- Stay home if you are feeling ill
- Wash your hands frequently
- Wear a mask that covers your mouth and nose in public places
- Avoid large gatherings
- Perform symptom checks before sending your student to school each day

National Honor Society: On October 20th, the Fredericktown High School National Honor Society chapter formally inducted thirteen new members into the National Honor Society. To be inducted into the National Honor Society, students need to uphold the Four Pillars of Character, Scholarship, Leadership, and Service. The new students inducted were: Natalie Baker, Ashley Johnson, Audrey Auchard, Katelyn Baker, Audrey Bouton, Samantha Carwell, Annabelle Kershner, Kaitlyn Mull, Rachael Patterson, Elaina Partington, Emily Rook, Celeste Swihart, and Riley Woodell. Congratulations to the new inductees. A special thank you to National Honor Society advisor Maggie Smith for organizing this special ceremony.

Parent/Teacher Conferences: Parent/teacher conferences will be on Tuesday, October 27th and Thursday, October 29th. If you have not received an invite for a parent teacher conference and you would like to schedule a conference, please contact your child’s building, and we’ll be sure to schedule a conference for you.

Positivity Award: The positivity award was given last week to Marj Booth and Will Hartley. Congratulations!
