Prescription Coverage
As of January 1, 2020 your pharmacy benefit services will be provided by CVS/Caremark and administered by RxBenefits. Please begin using your new card when filling your prescriptions on or after January 1, 2020. Also, please make sure your pharmacy has your new information.

Tax Changes
On December 20, 2019 legislation enacted federal tax changes that may affect your tax returns for 2020. This primarily affects the following deductions:

- Itemized deductions for mortgage insurance, if they pay mortgage insurance premiums
- Itemized deductions for medical and dental expenses

The IRS has a tax withholding estimator to reflect these changes. If you include these expenses in the estimator and apply the estimator’s recommendation, your withholding may be slightly higher than needed. This means you will have a larger refund or owe less tax for 2020.
Before you begin the estimator please have the following information ready.

- Most recent pay stub for yourself, and if you are married, your spouses.
- Information for other sources of income you may have,
- Most recent income tax.
- Use whole dollar amounts only.

If you plan to claim these deductions, you may want to check the IRS tax withholding estimator. Keep in mind that the tax withholding estimator results will only be as accurate as the information you enter.
